About Dr. Justin

Justin Mandel, DOM, is a distinguished leader in healthcare with over 22 years of clinical experience in alternative medicine. He has safely performed approximately 70,000 treatments, specializing in Overactive Bladder (OAB) and Upper Back Pain (UBP). Dr. Justin's groundbreaking research on OAB has been exhaustively reviewed by top medical institutions, including Harvard, Johns Hopkins, Duke, and Emory, earning recognition for its ingenuity. Dr. Mandel is renowned for his keen diagnostic ability, uniquely described as having "sonars of empathy" due to his ultra-sensitive fingertips that can easily identify patients' conditions. Beyond his formal training, Dr. Justin received an extraordinary gift to heal in 1999, allowing him to realign his patients' without physical touch. Committed to the golden rule of treating others as he would want to be treated, Dr. Justin ensures every patient receives the highest standard of care, promoting faster and more effective healing. Don't delay—schedule your initial consultation and experience the unparalleled Cloud Ten treatment sessions at Elite Care.

Specialties

Harvard called Dr. Mandel's one-of-a-kind research 'intriguing,' reflecting the innovation of his patented Overactive Bladder rehabilitation treatment and external urinary health aid.

He teaches and certifies healthcare providers to effectively treat and diagnose upper back pain.

Overactive Bladder (OAB)

Our exclusive patented non-surgical, non-invasive, non-pharmacological Bladder RE-EXPANSION Technique® offers groundbreaking relief for both men and women with excessive urinary symptoms.

Upper Back Pain (UBP)

The simple 4-step TrapEAZE Technique® provides effective, patient-proven relief from chronic upper back pain in less than 4-minutes. Watch his testimonial videos:
